The request has been made in a. A 0 of the 5th Feb 1915 to the address of the Dewan and the matter is under consideration of the Railway and Financial Secretaries.

2 From the papers informally obtained from the Railway Secretariat, it is seen that it is considered expedient to allow the At Bd to keep open the 2nd Debenture Loan in order that the Govt loan may be discharged earlier if any amount is raised. The Board's present proposal to close the 2nd debenture loan is in conflict with the opinions of the Financial Secretary and the original proposal of Mr. Bowring.

3. Draft authorising the President to issue necessary bonds to the subscribers of Rs 54,500 and stating that it is not expedient to close the 2nd Debenture Loan ~~is~~ and that orders regarding the 2 lakhs of Govt loan will be issued in due course ~~is~~ is submitted for approval or other orders

No. C. 252

Deputy Commissioner's office,
Kolar District,
Dated Kolar, the 28th April 1915.

From

P. F. B O W R I N G, Esquire, J.P.,
Deputy Commissioner, Kolar District.
+ President Dist Boards

To

D. M. Narasinga Rao; Esquire., B.A.B.L.,
Offg. Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

With reference to Government Order No.10643-5 L.B. 199-13 dated 22nd April 1914, authorising the District Board of Kolar to raise a further loan of 2 lakhs of rupees to meet the entire cost of the railway line from Bowringpet to Chikballapur, I have the honor to state that up-to-date only a sum of Rs.54,500/- has been subscribed by a few individuals named in the margin, and it is exceedingly improbable that any further subscriptions will be received.

BOWRINGPET.
... Manjundiah Rs.1,700/-
J. D. Armstead Rs.1,000/-

Chikballapur.
Rudrappa Rs.200/-

Kolar.
Hanumappa Mestri Rs.50,000/-
Dod Ramegowda Rs.500/-
Venkanna Rs.200/-
Sampangi Ramiah Rs.200/-
Chik Rame Gowda Rs.500/-
Settihalli Bellappa Rs.200/-
Total 54,500/-

2. On this account, I have already approached Government with a request for a loan of two lakhs of rupees to complete the work. If this is sanctioned, there is no necessity to call for further subscriptions to the 2nd Debenture Loan. I would therefore suggest that Rs.54,500 now subscribed towards the 2nd Debenture

loan be added on to the original loan, treating the excess of bonds over 4 lakhs as a surplement to the original loan. Such excess amounts only to Rs.47,400/-

3. I would also request the favour of very early orders in the matter, as Mr. Hanumappa who has subscribed Rs.50,000/- towards the 2nd Debenture loan on 2nd July 1914 has not had any bonds issued to him or received any interest on his money and he is naturally rather disappointed.

4. The same remark applies to the other smaller subscribers.

5. If this matter is settled early, it will enable me to complete the agreement between the District Board and Government with respect to the Railway.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
& President. Dist Boards
Kolar District.
